

GOVERNMENT OF KARNATAKA

**PUBLIC WORKS, PORTS
& IWT DEPARTMENT**

CITIZENS CHARTER- 2011

PUBLIC WORKS, PORTS & IWT DEPARTMENT

1. INTRODUCTION:

This Citizens Charter represents the commitment of the Department towards standard quality, time frame, transparency and accountability of the Public Works Department to the people of Karnataka.

2. COMMITMENT:

To Plan, Design, Construct and Maintain the Public Buildings, Roads & Bridges, Minor Ports, Coastal Protection and providing Ferry Services.

3. VISION:

"An excellent core road network for socio-economic growth, an effective infrastructure for Government functioning, ports facility and prevention of sea erosion".

4. MISSION:

- Plan, design, construct and maintain a safe and cost effective core road network on par with National Highways
- Standards for uninterrupted flow of traffic with better safety features.
- Enhanced connectivity to remote and far flung and isolated areas with Major District Roads and construction of bridges.
- Evolving policies for development of Highways through PPP with toll collection.
- Utilisation of natural resources viz; solar energy, rainwater harvesting etc; in the public and residential buildings to minimise power consumption.
- Adoption of modern technology for roads, buildings and ports.
- Redress the grievances received from the citizens directly or through the Hon'ble Chief Minister's Grievance Redressal Cell.
- Furnishing information to Public under Right to Information Act, 2005.

5. ORGANISATION:

5.1 Administrative Setup

For administrative reasons, Public Works, Ports & IWT Department is having the following zones under the control of Principal Secretary, Public Works, Ports & IWT Department;

- ❖ The Chief Engineer (Communications & Buildings), South Zone, Bengaluru.
- ❖ The Chief Engineer (Communications & Buildings), North Zone, Dharwad.
- ❖ The Chief Engineer (National Highways), Bengaluru.
- ❖ Karnataka State Highways Improvement Project, Bengaluru headed by the Chief Project Officer of IAS cadre.
- ❖ Karnataka Road Development Corporation headed by the Managing Director of IAS cadre.
- ❖ Principal Chief Architect, Bengaluru.

❖ Director of Ports, Bythakolu, Karwar.

Details of hierarchy of the above organisations are mentioned in Department's official website <http://www.kpwd.gov.in/>. The list of officers up to the level of the Executive Engineers is enclosed in **Annexure-I**.

5.2 Functions:

1. Development & maintenance of National Highways, State Highways & Major District Roads.
2. Construction and maintenance of Office accommodations and residential quarters.
3. Preparation of Schedule of Rates of buildings, roads & bridges to enable all government departments & local bodies in the preparation of DPRs, payment of bills etc.
4. Serving a repository to technical information & database of traffic details on State Highways & Major District Roads.
5. Implementation of Karnataka Highways Act-1964.
6. Providing technical and engineering suggestion/solutions to the needy departments.
7. Framing of Road policy and Toll policy.
8. Development of web based Road Information System.
9. Formulation of Karnataka Road Fund for resource mobilization.
10. Detail traffic survey on State Highways & Major District Roads.
11. Construction and maintenance of 10 minor ports at Karwar, Belikeri, Tadri, Honnavara, Bhatkala, Kundapura, Hangarakatta, Malpe, Padubidri and old Mangalore Ports.
12. Providing ferry service in reservoir and sea backwaters.

6. Department's website (<http://www.kpwd.gov.in/>)

The Department website has been launched during 2007 to facilitate the public to have access to the Departmental activities. The website provides information about the organisation, Administrative setup, projects, road network, web based RIS maps, Acts & Documents & Tenders floated under e-portal system & Citizen Charter.

7. SERVICES:

7.1 Registration as contractors:-

The interested public, firms, agencies & companies can Register as PWD contractors for taking up departmental Civil & Electrical works including supplies if any, fulfilling the prescribed conditions stipulated for the same.

Prevailing classes of Registration: The Department provides Registration from class I to class IV subject to the fulfilment of conditions for each category of Registration. The registration can be done in the South & North Zone offices headed by the Chief Engineers for Class-I & II, in respective Circles headed by the Superintending

Engineers for Class-III and in the respective Divisions headed by the Executive Engineers of for Class-IV depending on their financial capacity, experience etc. The details of documents required for registration is available in **Annexure-II**. The confirmation of registration or rejection of the application will be intimated within **30 days** from the receipt of all the relevant documents.

7.2. Tender Procedures:

Transparency in Public procurement (award of contract) is maintained in the Department by way of e-procurement. The works costing more than Rs.20.00 lakh are tendered through e-portal system and also on the official web site <http://www.kpwd.gov.in/>

The required documents for tendering the rates for the works, on contract basis, are issued then and there within **3 working days** for construction/maintenance nature of works costing up to Rs.20.00 lakh.

Standards of service: The availability of this service will be intimated to the citizen in the following mode:

By displaying the tender notices in notice board of O/o the concerned Executive Engineer.

By publishing tender notice in the Daily News magazines, both in Kannada & English and on Website also.

By publishing the tender notice in the State/ District level Tender Bulletins published by the Deputy Secretary to Government, PWD and respective Deputy Commissioners in the Local areas according to the value of works.

Calling of tenders, is being done as stipulated

in the Karnataka Transparency in Public Procurement Act-2000.

Standard tender documents KW1, KW2, KW3 & KW4 for the contract amount up to 20 lakh, above 20 lakh & up to 50 lakh, above 50 lakh & up to 100 lakh, above 100 lakh & up to 1000 lakh respectively are used in finalisation of contract.

The contractor shall adhere to the terms & conditions of Standard tender documents & shall provide documentary proof for conditions necessitating the same.

Standard tender documents of all category are published in PWD website for information of general public.

The contractor can down load the tender documents from e-portal for the works costing more than 20 lakh on the date & time fixed. The tenders will be awarded within **90 days** from the date of opening of tenders.

Choice and Consultation: The details of this service can be had from respective Executive Engineer.

Grievance Redress: Problems can be solved by contacting the respective Executive Engineer, Superintending Engineer & Chief Engineer of the Department in person and can also appeal to the Government if there is any

dispute. This service will be provided within **30 days** from the date of receipt of objection.

Cost / Charges for the works costing less than Rs.20.00 lakh: On receipt of the information of Tender notice, the contractor should give a written request for the tender schedule along with the Demand Draft for the prescribed amount, in favour of the concerned Executive Engineer. The tender schedule are issued to the Contractor on receipt of the requisition.

Cost / Charges for the works costing more than Rs.20.00 lakh under e-portal system: Any contractor who is willing to participate in the tender can access the Departmental e-portal has to register himself. The mode of payment can be done through credit card/ debit card or National Electronic Fund Transfer or over the counter to the Axis Bank (e-procurement bank)

7.3. OTHER SERVICES TO PUBLIC:

7.3.1 Quality testing: The quality tests as per the Bureau of Indian Standard, codal provisions under taken by the Q.C. sub divisions. The facilities/tests available and the rates are furnished in **Annexure-III**.

7.3.2 Fixation of Fair Rent for Buildings: The owner who lets out his building for Rent for Government purpose can approach the Executive Engineer concerned for fixing reasonable rent and to know the time interval between the fixations of the rent. A centage charge of 0.5% of the rent assessed for 12 months will be levied for private buildings. The rent fixation letter will be issued within **60 days** from the date of receipt of full details.

7.3.3 Preparation of estimates: The Department extends facility for preparation of Architectural drawings, designs & estimation for the work specified by the applicant and an amount of 3% of the estimated cost is collected for the service rendered. This service will be provided within **60 days** from the receipt of all the relevant records.

7.3.4 Scrutiny of estimate: The scrutiny of estimates of local bodies or private organisations will be done on request by levying 0.5% of estimated cost as centage charges. This service will be provided within **15 days** from the receipt of all the relevant records and on receipt of necessary fee.

7.3.5 Stability certificates to rostrums for public meeting: The citizen or a member of the Association or Organisation while conducting the meeting that will be attended by V.V.I.Ps., can seek for this from the Executive Engineer concerned. This service will be provided within **2 working days** from the receipt of all the request.

7.3.6 Accommodation facilities at Guest Houses, Inspection Bungalows & Circuit Houses: The Department maintains Inspection Bungalows & Circuit Houses at District & Taluk Head Quarters for the comfortable stay of the Govt officers on duty (State & other states), & for the Public on chargeable basis.

The stay is restricted to the prescribed period. The Executive Engineer & Assistant Executive Engineer of the concerned PWD Divisions & Sub Divisions may be contacted for room reservation.

Kaveri Guest House situated in Palace Road, Bengaluru provides accommodation for restricted period to the officials on official duty @ Rs.120/day & also for the general public @ Rs. 450/day.

For Reservation please contact,
Executive Engineer,
No.2 Buildings Division,
K.R.Circle
Bangalore
Phone:-08022122856
Fax: 08022123368
Guest House phone:- 080-22253141

Karnataka Bhavan, New Delhi

For reservation of rooms in this Bhavan, Resident Commissioner, Karnataka Bhavan, New Delhi shall be addressed.

Contact No:-01126889814

Fax:01126889030

The present charges are Rs.50/head/day for official on duty & Rs. 800/head/day for general public.

The availability of the accommodation will be confirmed within **3 working days** from the date of request.

7.3.7 Permission for Road Cutting: Any person or organisation willing to provide utility services to the public or for own purpose have to seek the permission of the concerned Assistant Executive Engineer, PWD Sub-Division before taking up the cutting work within the road margin (across or parallel) by submitting a written requisition with the details of the location, extent of cutting and the purpose of cutting. The permission can be obtained by paying the fee prescribed as the case may be. The permission for road cutting will be issued within **15 days** from the date of receipt of necessary fee.

7.3.8 Permission for erection of hoardings, construction of structures along the PWD roads: Any person who wishes to erect hoardings or construct any type of structure (commercial or residential) along National Highways, State Highways and Major District Roads shall obtain the permission of the respective Executive Engineer who is notified as the "Highway Authority" as per the provisions of the Highway Acts with a written request providing details of the structure, location & purpose etc; The NOC will be issued within **30 days** from the date of receipt of written application from the party.

7.3.9 Leasing of Port land: The Ports department also leases out the port land to the shipping companies in Karwar and Belikeri ports. The procedure for obtaining the land on lease is furnished in **Annexure-V**.

7.3.10 Ferry Services: The Ports Department also provides the ferry services to the public in the districts of Bengaluru, Shimoga, Dakshina Kannada, Dharwad, Bagalkot & Gulbarga. The ferry timings and charges are notified at the respective places.

7.3.11 Shipping and Landing services at ports: Except Karwar and Belikeri all other ports are fisheries ports. Karwar and Belikeri ports are commercial ports, which handle the import and export of cargo. The landing and shipping charges are furnished in **Annexure-IV**.

7.4. SERVICES FOR THE GOVERNMENT DEPARTMENTS:

All the Government departments can approach PWD for the construction and the maintenance of the buildings required for them through appropriate channels.

The Government departments shall convey their requirements, get the proposals from Public Works Department and obtain financial sanction from the Government for executing the works.

Regarding the maintenance of the Public Buildings, the Government allots funds to department wise in the budget annually. The respective departments have to finalise their priority list of works to enable PWD to take up the maintenance works within the limits of allotted funds. (Minor works such as proper up keeping of the premises and the interior of the buildings such as garbage removal, cleaning and maintenance of toilets etc are to be done by the respective departments only)

7.5. DEPOSIT CONTRIBUTION WORKS:

The department undertakes deposit contribution works for the Quasi Governmental Organizations, Societies, local bodies based on their request. For this centage charges will be collected at a fixed percentage of the value of the works as decided by the Government.

8. SERVICES UNDER RIGHT TO INFORMATION ACT:

Those who apply for getting information under the Right to Information Act can approach the appropriate authorities of the concerned area. The list of Nodal Officers is furnished in **Annexure-V**.

9. EXPECTATIONS FROM THE CLIENTS:

9.1 The procedures stipulated by the department are to be followed to have the full benefit of the service and the citizens may avoid claims, which do not match with the working procedures of the Department.

9.2 For any grievances, the citizens may approach the concerned officers first and get the problems sorted out and can opt for taking the matter further to the higher authorities only in genuine cases.

9.3 Don'ts:

- Unauthorised road cutting and roadside construction.
- Construction of un-scientific road humps in the village limits.
- Use of road land as manure pits and as harvest yard.
- Encroachment of road boundary.
- Closure of roadside drains.
- False allegations on the quality of work and also on the departmental officers.

9.4 Any feed back on the working procedures can be suggested by the citizens for improving the efficiency and the activities of the Public Works Department for the benefit of the people at large.

9.5 For registration as contractor the filled up application along with the copies of documents like, solvency for the required value, experience certificate and details in support of financial capacity, etc., and original documents for verification are to be given to the Registration Authority as the case may be.

ANNEXURE-II
DOCUMENTS REQUIRED FOR REGISTRATRION OF CONTRACTORS

Sl. No	Documents required	Class I	Class II	Class III	Class IV
1.	Registered pass book (After completion of one year in each class)	Class II	Class III	Class IV	-
2.	Work done certificate	Rs.10.00 lakhs	Rs.5.00 lakhs	Rs.1.00 lakhs	-
3.	Bank solvency	Rs.10.00 lakhs	Rs.5.00 lakhs	Rs.1.00 lakhs	Rs.20,000
4.	Registration fees	Rs.1,000/-	Rs.500/-	Rs.300/-	Rs.200/-
5.	Residential certificate	Required	Required	Required	Required
6.	Photos	3 Nos	3 Nos	3 Nos	3 Nos
7.	Degree certificate (consent letter)	BE Civil or equivalent	BE Civil or equivalent	BE Civil or equivalent	
8.	VAT	Required	Required	Required	
9.	NSC	Rs.500/-	Rs.400/-	Rs.300/-	Rs.200/-
10.	Admissible tender amount for participation	Rs.25.00 lakhs & above	Rs. 10.00 to 25.00 lakhs	Rs. 1.00 to 10.00 lakhs	Up to Rs.1.00 lakhs
11.	If partnership firm, deed copy and affidavit of declaration as registered firm.				
12.	If registered, company memorandum, article of Association and Registered copy and also affidavit of declaration of all Directors.				
13.	For electrical Registration, license from Electrical Department				

ANNEXURE-III

I. Testing Facilities available in Quality Assurance Lab available at Quality Assurance Sub Divisions.

1	Laboratory Test on soil
2	Safe Bearing Capacity (SBC) Test for foundation soil
3	Tests on Road Aggregates
4	Tests on Bituminous Materials
5	Tests on Bituminous Mixes
6	Tests on Cement
7	Tests on Coarse & Fine Aggregates
8	Tests on Cement Concrete Cubes
9	Tests on Bricks
10	Test on Hollow/Solid Concrete Blocks
11	Tests on Steel
12	Concrete Mix Design
13	Field Tests on Pavement a) Field Density of Pavement layers b) Dynamic Cone Penetrometer Test c) Benkelman Beam Deflection Studies and Analysis d) Unevenness Measurement by Romdas e) Tests on Bituminous Pavement Layers
14	Non-destructive Testing of concrete by Rebound Hammer Method to know the strength of concrete
15	Non-destructive Testing of concrete by Ultrasonic Method to know the quality of concrete

II. Schedule of rates for conducting lab tests & field tests

SI No	Type of Laboratory tests	Charges for conducting test/services (per sample/service) in ₹.
1	Soil Testing : SBC	
a	Density	230
b	Grain Size Analysis	230
c	Atterberg Limit	430
d	Free Swell	120
e	Direct Shear Test	360
f	Triaxial Shear	540
g	Specific Gravity	170
	Total	2080
2	Soil suitability for Embankment	
a	Proctor Compaction	230
b	Sieve analysis	230
c	Atterberg Limit	430

Sl No	Type of Laboratory tests	Charges for conducting test/services (per sample/service) in ₹.
d	Free Swell	120
	Total	1010
3	CBR Test per sample	650
4	Test on Bitumen	
a	Penetration test	300
b	Specific Gravity	300
c	Ductility test	430
d	Flash & Fire Point	300
e	Softening Point	300
f	Bitumen content	1100
	Total	2730
5	Bituminous Mix Design (MSS, SDBC, BM, DBM & BC)	3630
6	Granular Sub-Base material test (GSB)	2000
7	Wet Mix Macadam (WMM)	1900
8	Surface Deflection of Flexible Pavement (Benkelman Beam test)	1950
9	Gradation test on aggregates	340
10	Specific Gravity, Water absorption & porosity test on aggregates	710
11	Cement test	
a	Consistency test	110
b	Fineness test	90
c	Soundness test	110
d	Softening time	280
e	Compression test (3 set of 3 Nos)	570
	Total	1160
f	Compression test on mortar cubes	170
g	Compression test on concrete cylinder without capping	170
12	Test on Aggregate	
	Fine aggregate	
a	Sieve analysis	150
b	Estimate of deleterious materials & organic impurities	220
c	Specific gravity, density voids & absorption	360

Sl No	Type of Laboratory tests	Charges for conducting test/services (per sample/service) in ₹.
	Total	730
13	Coarse aggregate (40 mm & 20mm)	
	Sieve analysis	140
	Estimate of deleterious materials	250
	Specific gravity, density voids & absorption	360
	Abrasion test	300
	Aggregate Impact test	280
	Aggregate crushing test	580
	Total	1910
14	Steel	
a	Conducting lab test on steel (round bar / twisted) for strength & elongation 0.2% proof stress and unit weight (for set of 3 rods) dia 8, 10 & 12mm	370
b	Conducting lab test on steel (round bar / twisted) for strength & elongation 0.2% proof stress and unit weight (for set of 3 rods) dia 16, 20 & 25mm	470
c	Conducting lab test on steel (round bar / twisted) for strength & elongation 0.2% proof stress and unit weight (for set of 3 rods) dia 28mm & above	568
15	Bricks	
	Test on size	60
	Eflorescence	120
	Compression (set of five)	170
	Water absorption	160
	Total	510
16	Concrete Mix Design per sample	2420
17	Casting & testing for compressive strength of cement concrete cubes (6 cubes)	630
18	Cement Concrete Blocks	
a	Absorption per set of 3	200
b	Compression per set of 8	480

SI No	Type of Laboratory tests	Charges for conducting test/services (per sample/service) in ₹.
c	size test per set	100
	Total	780
19	Conducting non-destructing test	
a	Conducting non-destructing test using rebound hammer at site (Excluding conveyance & incidental charges per element	160
b	Conducting ultra sonic pulse velocity test at site (Excluding conveyance & incidental charges per test	330
Note:	1) Conveyance charges extra at ₹. 8.00 per km for sampling & inspection wherever applicable	
	2) Service tax is applicable as per prevailing rules	

ANNEXURE-IV

List of Nodal Officers Under Right To Information Act (RTI)

Sl No.	Secretariat/ Field Departments	Designation of the nodal officer	Address	Telephone number
1.	PW, Ports and IWT Department secretariat	Joint/Deputy Secretary (Services)	3rd Floor, Vikasa Soudha	080-22353965, 22034835
2.	Chief Engineer, C&B(South), Bangalore	DCE(Admin)	O/o the Chief Engineer, C&B (S) K.R. Circle, Bangalore	080-22213594.
3.	Chief Engineer, C&B(North), Dharwad	DCE-I	O/o the Chief Engineer, C&B (N) Sir M.V. Marg, Dharwad	0836-2442944.
4.	Chief Engineer, National Highways, Bangalore	DCE	O/o the Chief Engineer, NH Zone K.R. Circle, Bangalore	080-22216712
5.	Principal Chief Architect, K.R. Circle, Bangalore	Deputy Architect	O/o the Principal Chief Architect, K.R. Circle, Bangalore	080- 22211153, 2213519
6.	Director of Ports, Bythakol, Karwar	Port Officer	Port officer, Karwar	08382-221342.
7.	Karnataka Road Development Corporation	Superintending Engineer	No.16J, Miller Tank Bed Area, Vasanth Nagar, Bangalore-52	080-22382360.
8.	Karnataka State Highway Improvement Project	Chief Administrative officer	PWD Annex building, K.R. Circle, Bangalore	080-22126028.

ANNEXURE-V

SCHEDULE – A
[See Rule 3 (1)]

Fees on goods, animals, etc., landed or shipped in the Ports in the State of Karnataka Except the Port of New Mangalore.

Sl. No.	Classification of Commodities / Animals	Unit	Karwar		Mangalore Rs. Ps	Malpe, Hangarkatta, Kundapur, Bhatkal, Honnavar,Tadri, Belekeri, Padubidri ₹. Ps.
			Steamer Berth ₹. Ps.	Other Public Landing places ₹. Ps.		
1	Animals	each	15.00	10.00	15.00	10.00

FORM "A"
(See Rule 25(1))
LICENCE FORM FOR USE OF PORT LAND FOR A PERIOD NOT
EXCEEDING THREE YEARS

This Indenture made this _____ day of _____ 20 _____ between the Governor of Karnataka represented by the Director of Ports and Inland Water Transport in Karnataka (hereinafter referred to as "the Port Authority" which expression shall where the context so admits be deemed to include his successors and assigns) of the one part and _____ (Name of the person with address and occupation) (hereinafter referred to as "the licensee") which expression shall where the context so admits be deemed to include his heirs, executors, administrators, representatives and permitted assigns of the other part. When the licensee is a registered firm _____ name and address of partners _____ all carrying on business in partnership under the firms name and style of _____ name of the firm registered under the Indian partnership Act of 1932 and having their registered office at _____ (hereinafter referred to as "the licensee") which expression shall include all the said partners, their respective heirs and legal representatives.

Whereas the licensee has applied to the State Government for a licence to use port lands specified in the schedule hereunder written and shown in the plan attached for the purpose of _____

And whereas the State Government has found that there is no objection to the grant of such license subject to the conditions mentioned hereunder namely:-

- 1) The licensee shall, so long as the licence hereby granted shall not be determined in the manner hereinafter provided, pay the licence fee of **Rs.** _____ (_____) clear of all

deductions, the first of such payments having been made on _____ day of _____ 20 ____ and subsequent annual payments of **Rs.**_____ to be made on the **every year**, whether formally demanded or not, at the office of the Port Officer / Port Conservator / Deputy Port Conservator / Assistant Port Conservator, provided the State Government by Notification in the Karnataka Gazette may at any time enhance the annual license fee and the fee so enhanced shall become payable with effect from the next succeeding year.

- 2) All amounts due under this agreement may be recovered by the Government without prejudice to other remedies open, as arrears of land revenue.
- 3) The licensee shall bear pay and discharge all existing and future municipal and other taxes, charges assessments and outgoings payable in respect of the said land.
- 4) The licensee shall not use the said land or suffer it to be used except for the following purposes.
- 5) The licensee is authorised to put up structures only in accordance with the structural plans hereto annexed.
- 6) The licensee shall not, except as provided in condition, 5 erect any buildings, fences or structures of a permanent or temporary character on the said land without the previous written sanction of the Port Authority.
- 7) The Licensee shall maintain the said land in a clean and sanitary condition and maintain all demarcation, survey stones at his cost and also the structures if any, erected thereon as aforesaid in good and substantial repair to the satisfaction of the Port Authority. No alteration of extension of any such structure shall be made without the previous written sanction of the Port Authority.
- 8) The Licensee shall remove any unauthorized building, fence or structure within a week from the date of receipt of notice from the Port Authority and in default of immediate compliance with any such notice, the Port Authority shall have power to remove the same and the licensee shall, upon demand made by or on behalf of the Port Authority pay the cost of removal and the cost of storing the materials removed and take delivery of the same. The licensee shall have no claim to any materials removed under this condition, which shall not have been taken delivery of, or the cost of removal and storage of which shall not have been paid by the licensee on demand made, as aforesaid.
- 9) The licensee shall not encroach upon any land or river / sea portion around the plot licensed or dump any factory refuse or other materials into the river / sea portion thereof without the previous written sanction of the Port Authority.
- 10) The licensee shall not sublet the use of the said land or any structure thereon or any portion of such land or of such structure. The said land or structures thereon shall not be used for any political meetings.
- 11) The licensee shall allow such officers or servants of the Port Authority as may be deputed in that behalf at all reasonable times during the term of the licence to enter upon the plot or any part thereof under his

- occupation and any building, works or conveniences thereon for the purposes of viewing and examining the state and conditions thereof.
- 12) The licensee shall on the termination or revocation of this licence restore the said land to as good condition as is consistent with the foregoing conditions.
 - 13) Licensee shall be answerable to the Port Authority for all or any injury or damage done to the said land except such as is permitted by the foregoing conditions.
 - 14) The Port Authority may revoke this licence at anytime if the licence fee or any part thereof shall remain unpaid for 15 days after it has become payable (whether formally demanded or not) or if the licensee shall have violated any of the conditions herein contained, and assume control or otherwise dispose of all or any part of the said land and any buildings, fences and structures thereon or if it is found that it was grossly inequitable or was made under a mistake of fact or owing to misrepresentation or fraud or that there was an irregularity in the procedure relating to the grant of the licence or a mistake in the licence fee payable on account of wrong classification of land or for any other cause and the licensee shall not be entitled to any compensation thereof.
 - 15) The Port Authority may revoke the licence at any time if the licensee fails to deliver any wreck or cargo salvaged, to the Government, or participates either in smuggling or pilferage activities or found to possess or conceal such cargo.
 - 16) The licensee shall not carry or permit upon the said licensed area or any part thereof any offensive, noisy or dangerous trade, business or occupation.
 - 17) The licence hereby granted shall be revoked by the Port Authority after giving one / three month's notice in writing and without notice for emergent reasons (the said Port Authority being the sole judge of the emergency) and it shall be terminable by the licensee, by giving to the Port Authority one / three months notice in writing but without prejudice to any right of action or remedy of the Port Authority in respect of any antecedent breach of any of the foregoing conditions. The license shall not, in case of such revocation or termination be entitled to any compensation in respect of any building fences and structures on the said land or of any other improvements effected by the licensee to the said land, but may before the revocation or termination of the licence takes effect, or, if the licence is revoked without notice, within such time as may be allowed by the Port Authority in that behalf, remove such buildings, fences and structures.
 - 18) The Port Authority may revoke this licence in whole or in part, that is in respect of one or more plots without affecting the other.
 - 19) The licence shall unless otherwise cancelled be in force for a period upto _____
 - 20) The licensee shall obtain all the required permissions. No Objection Certificates, Clearance Certificates etc., from the concerned Competent Authorities of the Department of Environment,

Karnataka Pollution Control Board and from any other Departments/Competent Authorities prior to commencement of construction activities or carrying out any activities on the demised premises.

- 21) The licensee shall abide by all other conditions imposed by the Government. Port Department and other Competent Authorities as and when necessity arises.
- 22) For violation of any of the above terms and conditions, the Port Authority is at liberty to cancel this agreement and to forfeit the demised premises along with all the structures/buildings/other property standing thereon without any claims or compensation and all the fees/ rent etc., paid by the licensee to the Port Authority shall be forfeited to the Government.

FORM "B"
(See Rule 25-(2))
LICENCE FORM FOR USE OF PORT LAND FOR A PERIOD NOT
EXCEEDING THREE YEARS

This Indenture made on the _____ day of Two thousand _____ between the Governor of Karnataka represented by the Director of Ports and Inland Water Transport in Karnataka (hereinafter called the "PORT AUTHORITY" OR THE "LESSOR" which expression shall where the context so admits be deemed to include his successors and assigns) of the one part and _____ (Name of the person with address) (hereinafter referred to as the "LESSEE") which expression shall where the context so admits be deemed to include his heirs, executors, administrators, representatives and permitted assigns of the other part, when the lessee is a registered firm _____ name and address of partners _____ all carrying on business in partnership under the firm's name and style of _____ (name of the firm) registered under the Indian partnership Act of 1932 and having their registered office at _____ (hereinafter referred to as the "LESSEE") which expression shall include all the said partners, their respective heirs and legal representatives.

Where as the lessee has applied to the State Government of Karnataka for a licence to use port land specified in the Schedule hereunder written and shown in the plan attached herewith for the purpose of _____ and whereas the Government of Karnataka have accorded the necessary sanction in the matter under their order No. _____ dated _____

And whereas the State Government have found that there is no objection to the grant of such licence.

NOW THIS AGREEMENT WITNESSES

The grant of the licence for use of the Port land is subject to the following conditions:-

- 1) The lessee shall pay for the land leased, monthly land rent @ Rs. _____ per square Mtrs., or part thereof and _____ percent increase annually and penalty for the belated payments as per the Schedule or Rates approved by the Government and as revised by the Government from time to time.

- 2) The Lessee shall pay all Ground Rent, fees other port related charges, such as berthing hire, Port dues, Pilotage, Tug hire etc., as per the Schedule of rates as fixed / revised by the Government from time to time in time, during the lease period of the demised premises.
- 3) The licensee granted under this agreement shall be for a period of _____ years from the date of execution of this agreement.
- 4) The Lessee shall get plans, designs and drawings and estimates prepared through qualified and reputed consultant and obtain prior approval to the designs, location plan, detailed drawings and specification from the Port Authority prior to commencement of construction. The Lessee shall commence construction of all structures and buildings according to the approved designs, drawing and specifications at the site indicated in the approved plans within six normal months and complete the same in all respect within 12 normal months thereafter from the date of receipt of statutory clearance.
- 5) The Lessee shall pay the supervision charges to the Port Authority at 1% (One percent) of the estimated value of the construction prior to commencement of constructions on the demised premises.
- 6) The Lessee shall not sublet the use of the demised premises or any buildings / structures thereon to anybody.
- 7) The Port Authority may revoke the licence at any time if the lessee fails to deliver any wreck or cargo salvaged to the Government, or participates either in smuggling or pilferage activities or found to possess or conceal such cargo.
- 8) The Lessee shall pay wharfage charges, Port dues, Berthing fees etc., to the Government from time to time as prescribed by the Government. The lessee also hereby agrees that in the events of enhancement of the above rates by the State Government by notification in the Karnataka Gazette the enhanced rates shall become payable by the lessee with effect from the date of enhancement of such rates, fees etc.,
- 9) The Lessee shall obtain all the required permissions, No Objection Certificates, Clearance Certificates etc., from the concerned Competent Authorities of the Department of Environment, Karnataka Pollution Control Board and from any other Departments/ Competent Authorities prior to commencement of construction activities or carrying out any activities on the demised premises.
- 9) The Lessee shall make his own arrangements for water and electricity and other infrastructure including formation of approach road and levelling the land leased to the required level at his own cost.

- 11) If there are any rents, fees, taxes, other charges etc., due to the Government and the lessee fails to pay the same on demand, it shall be lawful for the Government / Port Authority to detain upon any goods or articles of the lessee remaining in the said demised premises.
- 12) The Lessee shall carry out all survey and sub-soil investigation for the construction of all structures through well-qualified and reputed firms at his own cost at the demised premises and furnish the copies of such investigation and other results to the Port Authority.
- 13) Any relevant terms and conditions imposed on the Lessee by the Government or the Port Authority in future as and when circumstances arise shall be treated as part and parcel of this agreement and the lessee shall be bound to obey the same.
- 14) The Lessee shall not encroach upon any land, river or sea portion around the said demised premises or dump any refuse / hazardous articles into the sea / river.
- 15) The Lessee shall not assign sublet, transfer or part with possession of the said demised premises or any part thereof without the consent in writing of the Port Authority.
- 16) For any belated payments pertaining to Port charges the lessee shall be liable to pay penalty at the rate specified in the approved schedule of rates and as revised by the Government from time to time.
- 17) The Lessee shall not keep or permit to be kept in the said demised premises or any part thereof any offensive, noisy or dangerous trade, business or occupation.
- 18) The Lessee shall not keep or permit to be kept in the said demised premises any materials of a dangerous nature the keeping of which may contravene any Law, Act, Rules or Regulations without the prior sanction of Competent Authority.
- 19) The Lessee shall allow the Port Authority or the Officers / Officials deputed by the Port Authority at all reasonable times during the term of licence to enter upon the demised premises / buildings, structures in the demised premises for the purposes or viewing and examining the state of condition thereof and for keeping watch for strict compliance of any of the terms and conditions of this agreement.
- 20) The Lessee shall insure all movable / immovable properties, plants, machinery, goods, structures standing on the demised premises including third party risk insurance at his own cost with the approved insurance company and the lessee shall arrange for timely renewal of the said insurance policy well in advance.

- 21) The Lessee shall keep the said demised premises in clean and sanitary condition, maintain all demarcation survey stones planted and raise the plantation as far as possible at his own cost.
- 22) The Lessee shall hold the Government free from all risk and responsibilities in respect of structures raised machinery installed, goods stored etc., in the demised premises from damage or loss due to any cause.
- 23) The Lessee shall take all necessary precaution to ensure that the environmental pollution does not take place and in case the environmental pollution takes place the lessee shall be held responsible for the same and he has to bear all the consequential losses caused.
- 24) The Lessee shall comply with any rules or regulations, which may be framed by the Government in connection with the checking of goods entering or leaving the said demised premises.
- 25) The Lessee shall agree to hand over the immovable property along with all the structures, building, pipelines etc., raised on the said demised premises to the lessor in '**as is where is condition**' without claiming any compensation or concession after the expiry of the lease period of _____ or extended period thereof.
- 26) The Lessee shall ensure that during construction and operation of other activities in the demised premises he shall not cause any kind of hindrances or inconveniences to the Port Departmental works or to any other works.
- 27) In lieu of the buildings / structures standing on the demised premises, the lessee shall construct similar buildings / structures at his own cost in the area shown by the Port Authority and as per the directions and instructions issued by the Port Authority to the entire satisfaction of the Port authority and hand over the said Buildings / Structures to the Port Authority free of cost.
- 28) The Lessee shall pay all the existing and future rates, taxes, fees, duties etc., leviable by the Central / State Government for any local authority in respect of said demised premises or activities carried on such demised premises.
- 29) Any change in the construction of the lessees firm or business shall in no way affect the terms and conditions of this agreement.
- 30) All amount due under this agreement shall be recovered by Government without prejudice of other remedies as arrears of land revenue.

- 31) The Lessee shall also abide by the special conditions stipulated by the Government of Karnataka and the Port Authority annexed to this indenture.*
- 32) If necessity arises for acquisition of the demised premises or any part thereof in the interest of public service before completion of the lease period, the same shall be acquired by the Government as per the law after due payment of compensation to the lessee as admissible under the law.
- 33) For violation of any of the above terms and conditions, the Port Authority is at liberty to cancel this agreement and to forfeit the demised premises along with all the structures / buildings / other property standing thereon without any claims or compensation and all the fees / rent etc., paid by the licensee to the Port Authority shall be forfeited to the Government.
